Reno-Tahoe Community Resource List

Get involved with local projects, places, and organizations that are making the shift towards a more permanent human culture (perma-culture) through education, community building, and action.

Let’s create a better world, together.

Permaculture Northern Nevada

Unite with northern Nevada’s permaculture group—whether you are a beginner or a seasoned permie—for monthly meetings and educational workshops grounded in exploring the principles of permaculture. Get your hands dirty during a “work bee,” a hands-on project build day designed to bring the PNN community together to practice new skills, and share knowledge by contributing to the local permaculture Wiki.

Urban Roots Garden Classrooms

Urban Roots is a nonprofit organization dedicated to providing garden and agriculture education to kids ages 5 to 105. From school gardens, summer camps, and teacher trainings, to farm entrepreneurship and permaculture design courses, Urban Roots keeps Nevada schools and graduates engaged in local food production.
