Get involved with local projects, places, and organizations that are making the shift towards a regenerative, more permanent human culture (perma-culture) on Earth through education, community building, and action.

**Fitchburg Fields**
Experience the serenity of hands-to-the-earth farming skills on this 4000 sq. ft. of fertility at the SE corner of Lacy Rd. and Fahey Glen in Fitchburg, WI. Join the thriving community of student-volunteers, keeping your thumb green during workshops and workdays. Produce donated regularly to local foodbank.
Grow the local foodshed with [fitchburghfields.org](http://fitchburghfields.org/)

**Madison Area Permaculture Guild**
Attend a monthly potluck/educational meeting and meet locals cultivating diverse, healthy, and productive gardens, streetscapes, and local agriculture. Share information and build integrated water, food, and waste systems designed to increase local resilience. Join the ‘Herb Collective’, a 100 foot by 30 foot herb garden maintained by the Guild.
Put your hands in the dirt with [madisonareapermacultureguild.org](http://madisonareapermacultureguild.org)

**Dane County Farmers’ Market, Inc**
Enjoy the freshest produce around and meet the people who grow, harvest, and raise it at this year-round farmer’s market. Publishes weekly newsletter with market info, recipes, and more. Will trade market credit for EBT.
Accepts donations online for an educational scholarship for aspiring farmers.
Eat local shop local with [dcfm.org](http://dcfm.org)

**Slow Food Madison**
Get to know your food! UW’s chapter of Slow Food International promotes affordable access to good, clean, and fair food by engaging the community to reexamine the food systems that feed us. With five programs in Madison and at UW, there are many ways to get involved: learning and teaching about food justice, gardening, and the sourcing and preparation of local, seasonal cuisine. Internships available!
Cultivate healthy community with [slowfooduw.com](http://slowfooduw.com)

**Family Farm Defenders**
Defend regional food sovereignty with Family Farm Defenders, a locally grown national grassroots organization who promotes healthy, safe, accessible food as a basic human right. Current campaigns include Bovine Growth Hormone (BGH), Local Food Systems, Agrofuels, Fair Trade, and Factory Farms.
Online ‘Fair Trade Store’ with cheese, coffee, maple syrup, and other goods.
Stay informed on agri-social issues with [familyfarmers.org](http://familyfarmers.org)

**Farley Center**
Build solutions at the Farley Center for Peace, Justice and Sustainability! Learn more about educational, land-linking, farmer support, workshop programs and join the movement that is making this a world regenerative and prosperous future.
