

*The Polish Ambassador & The Permaculture Action Tour present*

# San Diego

## Permaculture Resource List

Get involved with local projects, places, and organizations that are making the shift towards a more permanent human culture (perma-culture) through education, community building, and action. Let's create a better world, together.

### *Project New Village*

**5106 Federal Blvd Suite 103,  
San Diego, CA**

Combat injustice by planting, harvesting & distributing organic crops in Southeastern San Diego. Have your own plot at the Mt. Hope Community Garden & stop by the People's Produce Certified Farmer's Market every Saturday from 3-6pm @ 4981 Market St; EBT & WIC accepted.

Get involved at [projectnewvillage.org/](http://projectnewvillage.org/)

### *San Diego Permaculture Guild*

Network with other permaculture enthusiasts to coordinate garden builds, workshops, farmer's markets and initiatives; attend the quarterly Permaculture CORE meetings, and the bi-annual multi-day conference.

Develop & tend to the land at [meetup.com/sandiegopermaculture/](https://www.meetup.com/sandiegopermaculture/)

### *San Diego Food Not Lawns*

Reform the food system by networking with inspired individuals; attend one of Food Not Lawn's monthly potlucks to find out what initiatives inspire you; sell excess crops from your home-garden at the Backyard Farmers booth, or watch a food-justice documentary, and get your hands dirty.

Create your own initiative with [sdfoodnotlawns.com/](http://sdfoodnotlawns.com/)

### *San Diego Roots Sustainable Foods Project*

Tear up your water-thirsty lawn & plant a thriving garden with the Victory Gardens project; take classes or longer intensives in sustainable farming practices & volunteer at the organic Wild Willow Farm; bring your friends & family to one of the Food for Thought movie nights.

Invigorate the native soil at [sandiegoroots.org/](http://sandiegoroots.org/)

*Follow the tour as it travels and stay networked at*

***Water Conservation Garden***   
**12122 Cuyamaca College Dr W,  
El Cajon, CA**

Open 9am to 4pm daily, the Garden offers free guided tours of their exhibits which include fireproofing land, composting, and water-wise ground covers; join workshops and classes centered around sustainable gardening practices in an arid climate.

Conserve CA's precious water with  
[thegarden.org](http://thegarden.org)

***Sky Mountain Institute***   
**2842 Country Club Dr.,  
Escondido, CA 92029**

Engage spiritually & artistically with radical deep-ecology at this nonprofit educational, research, and training center. Expressive art, eco-education, and ecopsychology programs are designed to inspire, heal, and strengthen global citizens and local communities.

Explore deep ecology at  
[skymountain.org/](http://skymountain.org/)

***Emerald Village***   
**1850 Gopher Canyon Rd.  
Vista, CA 92084**

Work, play, and thrive in an eco-community actively creating a sacred, generative living space for healing and growth. Work collaboratively to design & build resilient structures and technologies on the land through events, sustainability education, and community construction. Apply to be a resident volunteer!

Experience & create something new  
with [theemeraldvillage.com](http://theemeraldvillage.com)

***Vista Farmers Market*** 

The oldest farmers market in San Diego County! Fifty-three farmers, artisans, and crafters; services like knife & tool sharpening. Open rain or shine, every Saturday - 8am to 1pm.

***Olivewoods Garden***   
**2525 N Avenue, National  
City, CA**

An interactive, indoor-outdoor classroom for children and adults providing hands-on, cross-cultural environmental education, edible organic gardening, and cooking instruction. Weekly tours on Tuesdays @ 10:00am. Volunteer opportunities in kitchen, garden & educational programs.

Flourish with the garden at  
[olivewoodgardens.org](http://olivewoodgardens.org)

***Activated Villages*** 

Live creatively & sustainably in a co-created village with your family and friends. Activated Villages are intentional community builders with experience in saving for, buying, and developing land sustainably & generatively for communal use.

Build with intention at
